ProQuest Dissertations and Theses: Global is the official dissertations archive for the Library of Congress. The database includes millions of dissertations and theses from 1861 to the present day, making it one of the world’s most comprehensive collection.

ADVANCED SEARCH

Select **Advanced search** on the home page to find specific resources. Enter keywords in the search box(s). Use filters to narrow your search by author, publisher, and language.

Other helpful filters include:

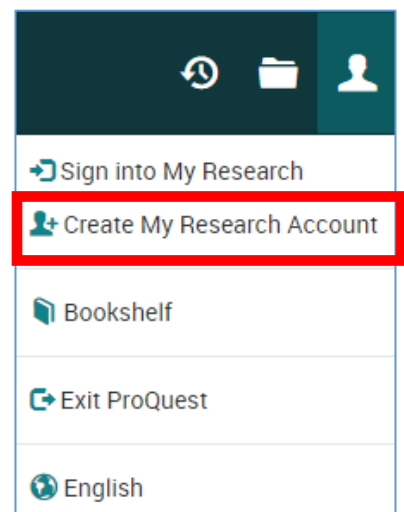

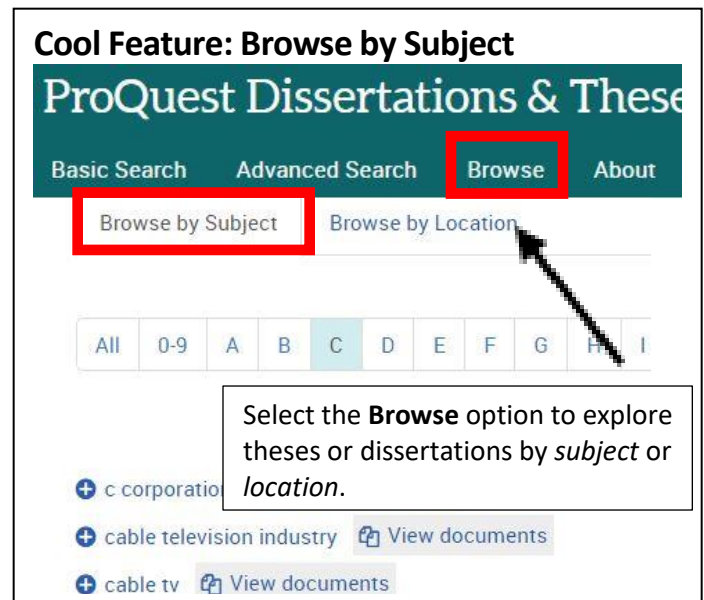

- 1. Field:** You may select a Boolean operator such as AND, OR, and NOT.
- 2. Full-Text:** This will ensure your search only provides articles that you have full access to.
- 3. Year:** Set the appropriate time range for your results.

SETTING UP AND ACCESSING YOUR ACCOUNT

My Research Account allows you to create a personalized account to save your research.

To set up your ProQuest account:

- Select the head icon in the upper right-hand corner to reveal a drop down menu.
- Click on **Create My Research Account**. Next, enter your email address and create a password.
- You’re all set! Simply click on **Sign in** to access your account.
